the full illustrated history of chevrolet from the series 490 to today s silverado and colorado

in late 2020 as the world prepared to leave an unforgettable year behind dason wowk began planning a one of a kind project to bring some positivity to his friends and family during dark times the idea was simple yet profound every day for a whole year starting on the first day of 2021 he would write a short story on social media about a vehicle that had left a mark on him wowk s auto biography compiles his stories and captures the essence of a lifelong passion for all

things automotive a love passed down from father to son with the gift of a tiny toy car from a small tractor in his grandfather s yard to exotic dream cars at the racetrack every vehicle tells a story auto biography is not just about cars it s about the power of memories and an enduring love for vehicles buckle up take a ride through the author s incredible year of wheels and memories and ignite your passion for the road ahead

like the war on terror the media war rages on more than ever america s ability to fight and win against isis requires that we understand how best to communicate about war in the digital age tom basile takes readers behind the scenes during his time as a civilian advisor in iraq during the iraq war describing his mission and the struggle to communicate about the war as it became more deadly and less popular at home the u s led coalition wasn t merely engaged in a fight to build a more tolerant participatory society against incredible odds it was also in a constant clash with forces that influenced public perception about the mission during those difficult years it became clear that warfare was now more than ever a blend of policy politics and the business of journalism basile critiques the media s reporting and assesses the bush administration s home front communications strategy to argue that if policymakers fail to effectively articulate their strategy manage their message and counter misinformation they will find themselves unable to execute that policy that basile argues places the united states at great risk tough sell blends basile s personal story with lessons from the media war in iraq that can improve our ability to communicate about and prosecute the war on terror
